~~SECRET~~  
From MOSCOW, U.S.S.R.

CIRCULAR MESSAGE

17 Jan 46

To the person in charge of the Secret Cipher Office [SNO].

In view of the fact that the special numbers of cipher telegrams are frequently garbled when being transmitted by telegraph, it will be the duty of [3 groups uncovered], as well as inserting the special number of each outgoing cipher telegram at the end of the cipher text, to encipher this special number before enciphering the signature; the 10th department [a] [3 groups uncovered]. For cipher telegrams and [2 groups uncovered] special number [3 groups uncovered].

~~SECRET~~

T.S. [a] The cipher department of the Soviet People's Commissariat of Foreign Affairs.
